## MESSAGE FROM THE EXECUTIVE

Hello all. We hope you are still enjoying your summer activities, as we prepare for the launch our 2021-22 Season. Your Club Executive has continued to work with the RA Centre to develop our **Return To Play** protocols. You will find important information, in the form of the Protocol living document, and the Activity Waiver on the Clubs & Programs page of the RA Centre website ([www.racentre.com/adult-clubs-programs/ski-outdoor-club](http://www.racentre.com/adult-clubs-programs/ski-outdoor-club)).

In keeping with the provincial re-opening stages, we are offering **Fall social outings** and **activities** within the permissible guidelines, including a calendar of Fall Hikes and SkiFIT classes to get you ready for the upcoming season! We look forward to seeing familiar faces again, and some new ones – bring a friend to check us out!

We have planned and scheduled Winter **day outings** for our Downhill, Cross Country and Snowshoe programs. Registration for our **Weeklong** trip is now open – this year's destination is Fernie BC at an extremely competitive price. Details are being finalized for **weekend** and multi-days trips, so keep an eye on our website ([www.raski.ca](http://www.raski.ca)) for info and registration forms as they are published.

We continue to monitor the practicalities of sharing rooms, rides, buses and planes once more! We are able to open our trips to not only people who share a household but also to friends who name each other, and acknowledge the risk of not being from the same household, etc. However, we hope that you will understand that it may be some time before we can return to our tradition of Club inclusivity to welcome all comers and match them with a roommate and potential new ski buddy.

Thank you for riding this out with us. Remember - all 2019-2020 members retained their active membership status for 2020-2021. With no lapse in membership, the RA association fee is waived this year, and you will receive a 10% discount on the Club fee when you return for the 2021-2022 season.

We hope you will renew your membership for the Winter season and share with us your suggestions for new trails or votes for returns to old favourites. Feel free to contact any of the Club Executive with your ideas! We have a few vacancies on the Executive this year and would welcome members who are interested in helping out.

**Jaime Impey**

On behalf of the RA Ski & Outdoor Club Executive,  
**Jaime Impey**, Vice Chair, [weeklong-2020@raski.ca](mailto:weeklong-2020@raski.ca)

## RETIRING EXECUTIVES

Several members of your executive have retired.

**Francoise Lecrouart** has been our very efficient secretary since 2017. She was always very quick to supply us with the minutes after our executive meetings. Thank you, Francoise!

**Francoise Lecrouart**

**Maureen Adamache** has been looking after our hiking and cycling program for the last 5 years, and she greatly expanded the number of bike outings. Thanks Maureen!

**Maureen Adamache**

**Jane Rau** joined the executive in 2006 and was Social Co-Chair for 6 years. Then in 2012 she moved over to be the cross-country co-chair, a position she has held for the past 9 years. Jane increased the number of XC outings, and added the mid-week skis. Thank you for your many years of service, Jane!

**Jane Rau**

## CURRENT EXECUTIVE

With the club in suspension for the 2020-2021 season, we were unable to hold our Annual General Meeting to elect a new executive. Until we can hold the AGM, the old executive remained in place, but shifted around to fill some of the gaps left by retiring members.

We are planning to hold our Annual General meeting once COVID restrictions are relaxed and the RA gets back up to full speed.

In the interim, here's the list of who is doing what.

## SKIFIT CLASS

SkiFIT is the Club's fall conditioning program designed specifically for skiers. As a gradual progression to more challenging, it will get you fit and keep you fit until you're on the snow.

Whether you cross country, downhill, telemark, snowboard, or snowshoe, you will enjoy the snow season much if your body is ready for the demands of your chosen sports. SkiFIT will strengthen core muscles, as well as hips, legs, shoulders and arms. We hope to improve flexibility, balance and upper body strength, and make you supple and resilient. We will provide progressive exercises for all levels and make sure to give loads of options and precautions to help participants meet their goals.

**Oct. 14 to Dec. 16, 2021** Thursdays, 6:00pm to 6:45pm

**FEE** (plus HST). Ski Club members: \$ 90, non-members: \$110

To register, go to <https://www.racentre.com/adult-clubs-programs/ski-outdoor-club/skifit-classes/>

## DOWNHILL DAY TRIPS

**Bob Cavan**, Downhill Day Chair, [downhill-2020@raski.ca](mailto:downhill-2020@raski.ca)

The 2022 Winter Olympics are less than 5 months away, and RA Ski members will be on the slopes well before that with a full program of Meet n'Ski day trips, special theme ski days and a bus trip or two that will, hopefully, round out our first full program in a long time !!

**Feb. 2018 - Meet n'Ski at Mont Ste-Marie**

You have probably started seeing messages and postings from ski hills announcing their plans to be fully open for business this ski season, and we plan to be there with our skis on, masks up, and ready to go !!

**Tremblant SkiMax Tickets:** are available again this year but the process to purchase them is easier! Ski Club members can purchase on-line using our club promo code – **Mx-RASKI**. Here's how you do it: Pull up the SkiMax website, select "Buy SkiMax Tickets", choose the number you wish to purchase and proceed to the checkout. Before you provide payment information, enter our Promo code (Mx RASKI) to access the discount. Then pay! Please be aware that SkiMax tickets will only be available through on-line purchase. Also note the two discount deadlines:  
Purchase between now and Oct 26 for a 38% discount  
Purchase between Oct 7-Dec 7 for a 34% discount

Our **downhill day program** is posted on our website [www.raski.ca](http://www.raski.ca), and we have:

- **24 Meet n' Ski days** with trip leaders and local destinations
- **13 (lucky number!!) "Fortune Fridays"** where skiers can just show up at Camp Fortune and look for some familiar friendly RAski members to enjoy a ski day.
- **2 bus trips** (tentative)
  - **Mon. Jan. 17 to St. Sauveur**
  - **Mon. Mar. 21 to Tremblant/Mont Blanc**

**! NEW ! this year:**

- **"POP-UP" ski days** where a local ski destination will be announced on the Sunday preceding the destination date. If you have

a destination in mind, let us know and we'll be glad to post it and promote it.

- **Ski Lessons** – weekly group lessons at a local hill (weekday or evening) - a great opportunity to meet Club members and get your ski legs for the season (minimum registration permitting)

For the “down”hill day program, things are looking “UP” !!!

## CROSS-COUNTRY

**Louise Cameron & Jane Rau**, XC Co-Chairs, [xc-2020@raski.ca](mailto:xc-2020@raski.ca)

Although last RASki season was cancelled, many of us did manage to connect and get together informally in small groups to ski and snowshoe. The weather was kind to us all - no extended cold spells, just the right amount of snow and no melt-freeze cycles.

We are already planning for the coming winter with a good variety of outings planned on both sides of the river. This winter for our outings we will be doing a Tuesday, Saturday, Thursday, Sunday rotation, holidays excepted. We spent some time looking at past years and picked what seem to be the most popular routes along with a few new ones like the Ottawa West Winter Trail and the Ottawa Rideau Trail. All of these are now posted on the web site calendar.

Our outings are on our website, [www.raski.ca](http://www.raski.ca)

**Feb. 2020 – XC skiers at Huron cabin**

We are in need of leaders particularly for the outings on the Ottawa side of the river. Let us know if you can help.

**Feb. 2020 – XC ski to Taylor Lake yurt**

And, last but not least, we are planning to return to the Laurentians in February for a weekend of XC and downhill skiing and, of course, snowshoeing. Stay tuned!

## SOCIAL

**Doris Dallaire**, Social Chair, [social-2020@raski.ca](mailto:social-2020@raski.ca)

## GOLF

**Sept. 2021 – Golfing at Anderson Links**

We had a best ball golf day on Friday, September 10th at Anderson Links Golf Course. We had one in August that was enjoyed by 8 avid golfers, despite warnings of thunderstorms, stifling heat and other dire possibilities. We defied the odds, enjoyed ourselves under cloudy skies but no rain and the sun didn't come out until we were sitting in the shade on the patio enjoying refreshments post-game.

Sept. 2021 – 19<sup>th</sup> hole at Anderson links

## CYCLING

Thursday Sept. 23 - Cataragui Trail (rain date: Sept. 24)

A few of us also went on a bike ride on the Cataragui Trail south of Westport area to see if it would be a good spot for Roger to do one of his Roddles. We enjoyed the 20 or so kilometers, but it is close to two hours from Ottawa. It is a drive on very scenic back roads and the trail is stone dust most of the way with a bit of hard packed earth areas. After posting photos on Facebook, many people expressed an interest in doing this. It should be beautiful with the leaves changing colours both on the drive and the ride. Details to follow on our webpage, Ski-Mail and Facebook.
